

GREATER THAN ITS PARTS

JEFF AMBROZ, ERIC MUELLER, JOSHUA WILICHOWSKI

February 16 - March 25

Reception: Sunday, February 19 at 2-4pm

In *Greater Than Its Parts*, three artists reflect on aspects of how they live their creative lives. Is it through consistent witnessing and documenting ones surroundings? Is it recognizing and dissecting our relationships with objects? Is it how we arrange and rearrange the layers of our personalities and personal histories? *Greater Than Its Parts* invites you to view abstract mixed media by Jeff Ambroz, a daily photography series by Eric Mueller and realistic mixed media by Joshua Wilichowski, and ask yourself, was Aristotle right? Is the whole greater than the sum of its parts?
