

# IS THAT EVERYTHING?

Transformations in Mosaic and Assemblage

GLEN RIDDLE, GIL GRAGERT & JUDY SELL

May 14 to June 27

Reception: Thursday, May 14, 6-8pm

When some people see things, they see beyond the objects themselves into the many possibilities of how they may be transformed, altered or repurposed. That would be Gragert, Riddle and Sell. Using a large array of materials, they seek to tell stories, create new realities and fashion new visions and versions with these objects.
