

Nature's Cadence

May 18 - July 1

Reception: Thursday, June 29 at 6-8pm

At first glance, nature may appear to random, but patterns and rhythms abound in the natural world. Work by four artists whose art is informed and inspired by those rhythms is the focus of **Nature's Cadence**.

The exhibition will feature traditional craft vessels by **Elizabeth Belz**, watercolors by **Monica Fogg**, mezzotint etchings and relief engravings by **Diana Hatchitt** and solar etchings by **David Spohn**.
