

Deceptively Simple

Featuring work by

that she inspired

May 19 - June 25

Reception: Thursday, May 26 at 6-8pm

Elizabeth Manfredi's pastels often depicted breath-taking vistas and quiet solitude. The clean lines and soft tones in her work belied the complexity of layers needed to achieve the right shade of red or the subtle movement of water. Elizabeth passed away in September 2015 after being accepted for this exhibition. We are pleased to celebrate her life and work.
