

## *Subtleties, Silhouettes and Silence*

Sheila Novak, Paul Randall, Michael Slagle

**On View: August 20-September 26**

Reception: Thursday, August 20, 6-8pm

The landscape of the Upper Midwest, and particularly the St. Croix Valley, evokes a variety of emotional responses from the people who live in and visit this area.

Artists are no exception. The artwork of Sheila Novak, Paul Randall and Michael Slagle reminds us of the notion of place and personal connection to nature and community.

Beauty stirs the soul.
